Library PressDisplay by PressReader

Library PressDisplay is a stand-alone web-based portal designed specifically to meet the needs of libraries and educational institutions. Launched in 2003, Library PressDisplay has become the library magazine and newspaper provider of choice in thousands of libraries and educational institutions around the world providing full digital replicas of current-edition newspapers and magazines to students, teachers and researchers.

Access at <http://library.pressdisplay.com>

The screenshot shows the Library PressDisplay homepage. At the top, there is a navigation bar with a search box, a 'Select Title' dropdown, and a 'Sign out' button. Below this is a row of newspaper thumbnails, including 'The Manila Times', 'The Recorder & Times', 'SAMI'S HEARTACHE', 'BULLETIN', 'Gazette', 'Cairns Post', and 'Daily Telegraph'. The main content area is divided into several sections: a 'Lance on the boil' article, a 'Pop quiz stumps university students' article, an 'OPP ready for protests' article, and a 'Strasbourg ruling defends right to wear a cross' article. On the right side, there is a 'World in Pictures' section featuring a football player, a '411780 TREES SAVED' counter, and a 'READERS EDITORS' section. At the bottom right, there is a 'TOP NEWSPAPERS' section and a 'TOP REPORTERS' section. Numbered callouts (1-15) point to various interactive elements: 1. Flash demonstration; 2. Top news from any day in the past 7 days; 3. Search for keywords and phrases throughout all titles; 4. Select titles by country, language or by alphabetical order; 5.
